----- Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high-quality reproductions of original, classic printed works at affordable prices. This book has been carefully crafted to utilize the original images of antique books rather than error-prone OCR text. This also preserves the work of the original typesetters of these classics, unknown craftsmen who laid out the text, often by hand, of each and every page you will read. Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today, and gave each book a unique, hand-crafted feel in its text that connected the reader organically to the art of bindery and book-making. We think these benefits are worth the occasional imperfection resulting

from the age of these books at the time of scanning, and their vintage feel provides a connection to the past that goes beyond the mere words of the text. *Rubank Intermediate Method: Saxophone* Rubank Educational Library (Ensemble Collection). These arrangements of easy- to medium-level duets by 18th- to 20th-century masters are great for instruction and for fun because the pieces are short and easy to master. With works by Mozart, Bartok, Boismortier, Kabalevsky, Couperin, Glazunov, Schumann, Shostakovitch, Purcell, and Bach, it's a survey of music history for young students. **Duetist Folio for Clarinet** Rubank Publications (Advanced Band Method). Rubank Intermediate Method - Cornet Or Trumpet Rubank Educational Library (Ensemble Collection). This classic series of duets for like instruments is recognizable to nearly everyone who has ever studied an instrument. The wealth of material supplements musical development and provides a rich experience for growing musicians. Duet playing is often a student's first form of ensemble experience - technique, tone quality, intonation and balance are introduced as students do one of the things they enjoy most - making music with a friend. And duet playing leads easily and naturally to competent

performance in larger ensembles. (Vol. 1 Easy to Medium, Vol. 2 Medium to Advanced)

Beloved for his 32 Rose Etudes for Clarinet book, C. Rose -- full name Chrysogone Cyrille Rose was an important French clarinetist, and served as principal clarinet at the Paris Opera. He was a teacher and composer of pedagogical material for the clarinet, much of which (like this 32 Etudes) is still widely in use today. Cyrille Rose was taught by Hyacinthe Klosé. He studied under Klosé at the Paris Conservatoire, winning the First Prize in 1847. He taught many famous clarinet players, such as: Louis Cahuzac, Paul Jean, Manuel Gomez, Francisco Gomez, Henri Lefèbvre, Henri Paradis, Henri Selmer, and Alexandre Selmer.

Rubank Advanced Method - Clarinet Vol. 1 New York

: Scarecrow Press

These 18 studies represent a revolutionary departure from present day clarinet music literature, because they prepare the clarinetist to read and execute various odd melodic chord

formations and intricate rhythmic figures found in the symphonic works by the Modernists.
