## DANIELA WALLS

Discourse And Practice Building on Bernstein's concept of recontextualization, Foucault's theory of discourse, Halliday's systemic-functional linguistics and Martin's theory of activity sequences, this book defines discourses as frameworks for the interpretation of reality and presents detailed and explicit methods for reconstructing these frameworks through text analysis. Discourse and Practice: New Tools for Critical Analysis ... Adding a new introduction and two previously unpublished papers, Discourse and Practice: New Tools for Critical Discourse Analysis brings together van Leeuwen's methodological work on discourse analysis of the last 15 years. Discourse, van Leeuwen argues, is a resource for representation, a knowledge about some aspect of reality which can be drawn upon when that aspect of reality has to be ...
